

## QUESTIONNAIRE

### SUMMARY

Kick-off meeting 10-14 December 2018

→ In general, all the participants are very positive about this kick-off, but when it comes to the real implementation of the project, there are still some doubts and fears to overcome.

→ The presence of Manoëlle was considered to be very useful and positive.

#### 1. Strengths/weaknesses of the project

##### Strengths:

- Having a professional counsellor is very efficient (Manoëlle)
- Drop out is a real problem that concerns everybody
- International human work is very useful with a lot of sharing (sharing of different point of views)

##### Weaknesses:

- We don't have the same target group
- Funding for the travel to Aruba
- It implies a lot of work but we can't always predict the outcome of the project, since we also depend on other authorities
- What will be the real impact on the students?
- After the project, how can we measure the effects of the different partners' best practices?
- The future of the project is uncertain

#### 2. Strengths/weaknesses of this meeting

##### Strengths:

- Motivation
- Enthusiasm
- Curiosity
- Familial atmosphere
- Liveliness
- Create links

**Weaknesses:**

- The lack of time to develop the topics more in-depth
- Language barriers

**3. Did the meeting answer the questions you had before coming?**

Yes, unanimously

**4. What is the main threat for the implementation of the project?**

- Data collection
- The geographic distance between partners
- The regular monitoring and involvement in this project
- The participants' motivation and willingness (students, colleagues)
- Hard to organize meetings between teachers and students (different schedules)
- Hard to create a local team that has time to work on this project
- The lack of time to adopt the new tools
- The colleagues' fear of change

**5. Was the presentation of good practices by ISFCE relevant?**

- It was a very positive and interesting presentation for everybody, but the method presented is not necessarily useful or ideal for each institution

**6. Are the administrative and financial obligations clear?**

Yes, unanimously

**7. Do you clearly see what you should set before the next meeting?**

Yes, unanimously

**8. Give 1 example of good practice during this meeting to be replicated in the next one.**

- Roundtables
- The poster of dissemination
- Manoëlle's management
- Team building activities
- Lunch at school and other informal moments (positive impact on work quality)
- Democratic work culture

**9. Give 1 example of bad practice to be forgotten for the next meeting**

- Not a bad practice but a proposition: meeting the learners and engage in conversation with them
- The (minor) delays at the beginning of each activity
